Prep Newsletter August 2022

Dear parents,
Greetings!

We are indeed happy to see our little ones settling in school and learning the joy of being with one another. We bring to you once again a child centric curriculum, interwoven with different styles of learning and the performing arts like art, craft, dance and music. The festive fervour has descended and celebrations will begin as each sister strengthens the bond with her brother on Rakshabandhan.

Sky is blue, feel the hue, My love for you bhaiya, is always true!

With great pride, we are honouring the 75th year of Independence Day of our country India, with the hosting of Patriotic Week, which will see a variety of activities and participation from children.

We will also be celebrating Janmashtami- the auspicious occasion of the birth of Lord Krishna.

रक्षाबंधन

राखी आई खुशियां लाई,
बहन आज फूली न समाई,
राखी,रोली और मिठाई,
इन सब से थाली खूब सजाई ।
बांधे भाई की कलाई पर धागा,
भाई से लेती है यह वादा,
भाई बहन को प्यारा है,
राखी का त्यौहार सबसे न्यारा है।

An Apple a Day....

An apple can taste very nice,
Try a bite or a slice.
If it's red or if it's green,
It will taste good if it's clean.
My grandma says, "an apple a day,
Always keeps the doctor away."

मेरा प्यारा झंडा

देखो-देखो यह झंडा प्यारा,
तीन रंगों का मेल है सारा,
केसरिया, सफेद और हरा,
इनसे बना है झंडा प्यारा।

रहे सदा यह झंडा ऊंचा,
आकाश को रहे यह छूता,
झंडा है भारत की शान,
बना रहे यह सदा महान।
