

MOCK EVACUATION DRILL

30th April 2024

A mock evacuation drill was conducted in all four blocks of the school i.e. Blocks A, B, C, and D. The evacuation plans were pinned up at all the prominent places in the school. The hooter rang sharply at 10:30 a.m. The students and staff began leaving their classrooms and labs immediately after the hooter rang. They reached the areas designated to them for assembly in any situation of emergency. The entire drill was accomplished in a smooth and orderly manner in approximately 3: 10 minutes.
