FIT INDIA PLOGGING -2nd October, 2019

In compliance with the directives of DOE and the Hon'ble Prime Minister's call for a mass movement, DPS Vasant Kunj organized a FIT INDIA Plogging Run for the students, staff and Heads of Schools on 2 October, 2019. This laudable and unprecedented initiative of the Government of India is to promote the habit of fitness and cleanliness in all its citizens.

Early morning on the eventful day, around 200 students and 30 teachers, along with the Principal and the Vice Principal assembled in the school's big Football field for the same. The Principal along with the students and staff, took the pledge to become eco-warriors and make earnest efforts to keep the surroundings clean and make the school, country and the world a plastic-free zone. The students, teachers and staff of the school then jogged and walked the 2 km distance around the Bio Diversity Park near the school and collected the Single Use Plastic Waste from around the dedicated path.

The teachers also took the brooms in their hands and swept the grounds of the school displaying their will to implement Mahatma Gandhiji's principle of cleanliness.
