REPORT ON TRAINING AWARENESS PROGRAMME ON ROAD SAFETY EDUCATION

Delhi Public School Vasant Kunj had organised a training programme on Road Safety Education from 14th January, 2019 to 17th January, 2019. This programme included a variety of activities and competitions based on Road Safety Education.

QUIZ ON ROAD SAFETY RULES

This quiz conducted for classes VIII and IX, primarily focussed on testing the general knowledge and awareness of children in that age group pertaining to Road Safety rules and measures.

This was a written quiz with multiple choice questions conducted simultaneously across different sections of classes VIII and IX. The questions aimed at testing their knowledge about commonly used road safety symbols and the rules that should be followed by everyone travelling or walking on the road. These type of questions are also helpful to those about to apply for a Driving Licence after they attain the age of 18.

POSTER MAKING COMPETITION

A poster making competition was organised for students of classes VIII and IX on the theme ‘Road Safety Is Our Safety’. The students depicted their understanding of the same ardently in masterpieces of art which were later displayed on the school notice boards as an exhibition of their artistic talent.
A workshop was conducted on Road Safety Measures for classes IX and XI on 17th January. The guest speakers were Assistant Sub Inspector Mr. Hoshiyar Singh and Head Constable
Mr. Parmar Singh from the Road Safety Cell, Todapur. Our esteemed Vice Principal Ms. Rachna Gupta and Headmistress Ms. Deepti Vohra also attended the session.

ASI Hoshiyar Singh talked about the threats of using mobile phones while driving and walking on the road. He also emphasised on the significance of Zebra Crossing, teaching the children the correct way of using the same. He also insisted that school going children should only ride bicycles and no other vehicle as they are not legally permitted to obtain a Driver’s Licence below the age of 18.

Head Constable Parmar Singh enlightened the children on the importance of wearing helmets while driving and riding two wheeler vehicles. He told the audience how important it is to wear an authentic ISI marked 4151 Helmet and none other for the safety of the driver. He touched upon the basic principles of travelling on the road like looking towards both the sides before crossing the road and wearing seat belts at all times. He laid a lot of emphasis on Not driving after Drinking.

The same session was repeated by the guest speakers for the drivers and conductors of the school buses of DPS Vasant Kunj under the supervision of Mr. Kartik Jena and Mr. Dilip Thakur. It was a very enriching session where the drivers were greatly benefitted.
