

1 ABOUT – COMMERCE ECONOMICS CLUB

Commerce Economics Club is one of the most vivacious clubs of Delhi Public School, Vasant Kunj, which, through its assorted activities, creates an abstract where theory converges into practice and forms experience. It's members are students of classes XI and XII who have achieved many milestones in the extra-curricular as well as the academic area. As part of its tradition, the club has been organizing its annual commerce and economics fest Arthashastra for the past 5 years. This fest provides a platform for budding economists and future business tycoons to voice their opinion on various economic and business related issues. Thus, the club strives to develop business acumen, entrepreneurial outlook and organizational skills in the students.
