

**DELHI PUBLIC SCHOOL
VASANT KUNJ
CLASS – VI
Holiday Home work (2024-25)**

Dear Parents

Vacation is an excellent time to learn new skills. It is a welcome break for the children to enjoy and explore things in their own way. Just the right time to let the children do some creative work.

Here are some interesting and fun-filled assignments for the children to learn and keep them occupied during the holidays. These assignments have been designed to ensure that the children enjoy and learn at same time. We would appreciate if the children do the assignments on their own. Help and guidance may be given wherever required. Let's work together towards the betterment of the students.

Happy Holidays!!

ENGLISH

1) FAIRY TALE REWRITE

1) Choose a traditional fairy tale and rewrite it with a modern twist. You can change the setting, characters or plot to create a fresh interpretation of the classic story.

2) POETRY COLLAGE

Create a poetry collage using lines or stanzas from poems you have read or written. You can arrange the lines to create new poems.

3) VOCABULARY FLASHCARDS

Create Vocabulary flashcards for words which you encounter during your summer reading. You can write the word on one side and the definition, synonyms, antonyms and a sentence using the word on the other side.

These activities will encourage students' creativity, critical thinking and language skills while also providing them with enjoyable tasks to do during their summer vacation

Note :- Home work to be done in scrap book.

MATHS

Answer the following: (To be done in A-4 size ruled sheets)

1) Fill in the blanks:

 - predecessor of the largest negative integer
- 7) A student multiplied 6852 by 69 instead of 96. By how much was his answer less than the actual answer?
- 8) Show the following on number lines-
- $7+6$
 - $9-4$
 - 5×2
 - $-6+9$
 - $-2-5$
- 9) CASE STUDY
- India, the largest democracy of the world is now ready to elect 543 members of the 18th Lok Sabha. Voting started on April 19th and will end on June 1st 2024. The results will be declared on 4th June.
- The largest constituency according to the number of voters is Malkangiri, Andhra Pradesh that has 3150303 voters whereas Lakshadweep is the smallest with 57784 voters.
- The first time voters registered are 18 million who are 18-19 years old.
- How many more voters are there in the largest constituency than the smallest?
 - 18 million of the new voters in the Indian Place value system would be how many?
 - Write the number name of 3150303 in both Indian and International PV systems.

10) REVISE TABLES FROM 2 TO 20 BY WRITING AND RECITATION.

SCIENCE

“Millets are one of the oldest crops known to humans and can grow in adverse weather conditions with marginal irrigation requirements. They were first domesticated in Asia and Africa and later spread across the globe as a cereal crop for the evolving civilizations.”

- Name various types of millets, paste pictures and collect information about any 3 of them.
- Enlist health benefits of millets.
- Write the nutritional profile of these small grains.
- Why are they considered as Indian Superfoods.
- Name the states of India where Millets grow well.
- Prepare a dish using any of the millets and paste the picture of your dish along with its recipe.

OR

To interpret the nutrition information listed on packets of food, take small packs of three different cereals. Make a data table with various headings like Proteins, Carbohydrates, Fats, Vitamins and Minerals. Compare the nutritional values of three foods.

- Which is the most nutritious?
 - Can reading food labels help you to plan a balanced diet?
- Be a conscientious buyer-**
- While checking the nutritional value also note the following on the packet of the food items-

Manufacturing date, Date of expiry, Best Before, any preservatives or additives used, Fortified with, MRP etc of each of the food packets.

NOTE :- Any one of the Science Holidays Homework to be done in scrap book.

SOCIAL SCIENCE

Dear students,

Summer is a time for cool adventures! Your Social Science Holiday Homework is your frosty passport to the world. Dive into the refreshing pool of history, feel the crunch of civic duties, and swirl around the sundae of our planet's geography🌍!

Come, choose your favourite scoops of knowledge!

NOTE:- Students are requested to complete Holiday Homework for any one subject out of History, Civics & Geography.

HISTORY

1. **Theme:** Tree-mendous History

Material required: Pen, History notebook, pictures, a tree sapling, colours.

Task:

a) Choose any one tree from the following:

- Pipal tree
- Mango tree
- Himalayan Birch tree

b) Research any one historical source (seal, sculpture, painting, etc.) that depicts the chosen tree in ancient Indian history.

Follow the hints, if needed: Unicorn and Pipal tree Seal, Bodhi tree (Pipal tree), Mahakapi Jataka and Bharhut (Mango tree), Birch bark manuscripts.

c) In your history notebook, paste a picture of this historical source.

d) Write answers to the following questions (not exceeding 80 words in total):

- Which historical source tells you about the tree?
- To which period does the source belong?
- Write any other interesting fact or observation about this historical source.
- Do you think our ancestors understood the importance of trees? Give one reason.

e) Finally, choose any one of the following:

- Under the supervision of an adult, plant the sapling of the tree you chose in your garden or community park. Take a photograph of yourself with the newly planted sapling. Paste it in your notebook.
- In your notebook, draw and design a painting featuring your chosen tree.

Remember to branch into past, dig deep and get your thumbs green!

OR

2. **Theme:** Domestication of animals

Material required: Pictures, colours, pen, History notebook.

Task:

a) Snap a selfie with your pet dog or cat (or a majestic portrait if they are feeling camera shy).

b) In your history notebook, paste this photograph and note your pet profile (not exceeding 20 words):

- Name
- Breed (if known)
- Interesting habit/ characteristics

c) Turn into a detective and research on your pet's past. Find out:

- When and where this species first moved in with humans?
- How it has been used by humans throughout history?
- Compare your pet to its wild ancestor.

In your history notebook, write the answers for the questions mentioned above in not more than 60 words in total.

d) Finally, choose any one of the following:

- Research and draw a historically accurate timeline depicting the transition of early humans from hunter gatherers to rearing animals.
- Based on your research and imagination create an artwork (sketch/ printed collage/ painting/ other) representing your pet's journey from wild species to domesticated. Paste it in your notebook.
- Briefly describe and paste picture of any one ancient historical source that sheds light on your pet species (not exceeding 15 words).

Remember, history isn't just dates, it's about processes shaping our world. So, bring in your pet's tail-wagging enthusiasm, and dig into the past with a pawsitive spirit !

CIVICS

1. **Theme:** Exploring Diversity Through Travel

Material required: Pen, Civics notebook, folder and travel mementos.

Task:

- a) Collect mementos, photographs, and testimonials from your travels.
- b) In your Civics notebook, write a short reflection (not exceeding 80 words) on the following topic:
- Describe the differences and similarities between your place of residence and your travel destination.

Use the following headers to answer:

- ✓ Introduction: Write the name of the city where you reside and your travel destination. Note the number of days you stayed at the destination.
- ✓ Choose category/categories, as applicable to compare the two places:
 - Physical Characteristics: Talk about the delightful things you saw! Were there mountains, forests, rivers, deserts, snow, a big city with tall buildings or a serene village with big open fields, etc.? Describe the weather- was it cold, rainy, or snowy, etc.?
 - Cultural Aspects: Did you see any special celebrations or traditions? Perhaps a captivating dance, a vibrant festival, or a yummy feast?
 - Lifestyle: What's the routine like at both places? Did you try a new food, clothing, or learn a new game?

✓ Conclusion: At the end, write how travel enriched your life with variety.

Note: Please keep your photographs and mementos in a folder. These will be displayed in class. Remember, to celebrate the rich diversity you encounter during your travel. Explore and embrace 😊!

OR

2. **Theme:** Understanding Democracy through Lok Sabha Elections in Delhi

Material required: Pen, Civics notebook and interaction with a voter.

Task:

a) Interview an adult in your family or neighbourhood who has voted in the Lok Sabha elections in Delhi. Ask them the following questions:

- Why is it important to vote?
- What are your expectations from the elected leader?

b) In your civics notebook, write a summary of your interaction (not exceeding 80 words).

Note: Your summary should include the key points from the interview.

Remember, voting is the foremost duty in a democracy. It is the voice of the voter. Happy interviewing 😊!

GEOGRAPHY

1. **Theme:** Summer Solstice, seasons, day and night.

Material required: Pen, scale, pencil and A4 size sheets.

Task: Observe and record the timing of sunrise and sunset in Delhi on 18th May 2024, 30th May 2024, 10th June 2024, 21st June 2024 and 28th June 2024.

a) Prepare a table on your A4 size sheet with the following columns:

Date	Clear/ Cloudy Sky	Sunrise Time	Sunset Time	Duration of Day

b) Fill this table with your daily observations or with the help of research.

c) After completing the table, answer the following questions:

- On which date was the sunrise observed earliest?
- Which was the longest day?
- What is the pattern of increase or decrease in the duration of daytime?

d) Research on summer solstice and write a brief description (not more than 30 words).

Note: Paste this table in your geography notebook and write the answers to all the questions.

Remember, this is your personal observation project, so be as accurate as possible. Happy observing, our seasoned geographer 😊📅!

OR

2. **Theme:** Phases of the Moon

Material required: A4 size sheet, colours, pencil, scale, eraser, and pen.

Task: Under the supervision of an adult, observe the phases of the moon in your city on the following dates:

- 6 June 2024
- 14 June 2024
- 22 June 2024
- 29 June 2024

a) On your A4 size sheet, draw and label your observations. Make sure to include the following details in your drawing:

- The date of observation
- The phase of the moon (e.g., new moon, first quarter, full moon, last quarter)
- Any noticeable features or patterns

b) Once you have completed your drawings, paste them in your notebook.

Remember, from moon phases to space mazes, your journey has just begun. Look to the moon, young astronomer 🌠🌑🌒🌓🌔🌕🌖🌗🌘🌙!
