

REPORT

ORIENTATION PROGRAMME

CLASSES VII

An Orientation Programme was organized for the parents of Class VII students on Monday, 20 April 2026 in their respective classrooms. The Class Teachers warmly welcomed the parents and presented a detailed PowerPoint outlining the academic framework including scholastic and co-scholastic evaluation, and academic awards. Furthermore, they briefed the parents about the school policies, protocols, facilities and support system, highlighting the use of smart boards, extra-curricular activities and clubs and the ERP system. Additionally, the parents were also updated about the new initiatives taken by the CBSE that includes Kaushal Bodh, Computational Thinking and AI. The programme concluded successfully with an interactive session with parents gaining clear understanding of the school's vision and curriculum.
