

Report-Kaushal Bodh Programme

CBSE organised the Capacity Building Programme - Kaushal Bodh on 17th January 2026 at ITL Public School, Dwarka. The programme aimed at enhancing teachers' understanding and effective implementation of skill-based education as envisioned in the National Education Policy. It was attended by the School Headmistress, Ms Mamta Narula, Ms. Sangeeta Vachher, Rep Class VI, Ms Tanika Vasudeva, Rep Class VII and Ms. Nirmala Sharma, Rep Class VIII. The resource persons, Dr Shyda Rana, Independent Consultant, Army Public School and Dr Sudha Acharya, Principal, ITL Public School, shared valuable insights into the objectives, structure, and classroom integration of Kaushal Bodh. They laid emphasis on developing life skills, experiential learning, competency-based education, and practical classroom strategies to engage students effectively. The programme was interactive and included discussions, real-life examples, and collaborative activities, which helped the participants gain clarity on pedagogical approaches and assessment techniques related to skill education.
